## Key Descriptions

- Date/Time:** When the Report was generated by DTN
- Report Terms:** BEFORE prompt payment = Gross price, AFTER prompt payment = Net price (adjusted for discounts)
- PADD:** Petroleum Administrative Defense District, PADDs 1-5
- Rack ID:** DTN's Location ID Number
- Rack Title:** Rack Location Name, City & State
- Supplier:** Suppliers posting prices at the location.
- Supplier Designation:** U = Unbranded, B = Branded
- City:** 4-character abbreviation for the city where terminal is located.
- Terminal:** Owner of the terminal
- EX:** Exchange partner
- Confirmed Indicator:** Y = confirmed, N = unconfirmed (unconfirmed prices are not included in averages/highs/lows)
- Product Code:** DTN's 6-digit abbreviation for products. +/- before a price indicates the direction of the move (up or down)
- Last Move:** Move amount of the first product listed in each line.
- Move Date:** Date of most recent price move of the first product listed in each line.
- Term:** Indicates each Supplier's payment terms on the first product listed in each line. 1-10 = 1% prompt payment discount, N-10 = No Discount
- Averages/Highs/Lows:** Calculated each time the report is generated.
- Contract Averages & Thur/Pub/Avg:** Gross Rack Average is locked in at 6 am CT. Not calculated again until 6 am CT next business day, or next Thursday if Thur/Pub/Avg.
